This endorsement modifies coverage provided under your Tort Liability policy.

Section II. Supplementary Payments is amended to include paragraph (g) as follows:

- (g) For consideration of the premium charged, we will pay on behalf of the insured reasonable expenses for property damage, based on actual cash values, including on-site and off-site clean-up costs, resulting from the backup of water through sewers or drains owned or maintained by the insured, not to exceed the limit as shown on the declaration page. The applicable limit of the Fund's liability will be reduced by any property damage expense payments.
